

Explorer Scout Activity Badges: Community

To gain this badge the Explorer Scout must complete the following requirements.

1. Take part for at least 50 hours in a voluntary service project that is of benefit to your local community. Examples of projects might be:
 - conservation project
 - assisting at a local library
 - helping with the administration of a local group or club
 - helping at a home for the elderly or handicapped
 - assisting at a local tourist office
 - any other service project agreed by the leadership team.

The project should be completed outside of Scouting.
